

## **EARLY CHILDHOOD DATA QUALITY CAMPAIGN**

### **KILLER POLICY QUESTIONS**

- 1. Are children, birth to age five, on track to succeed at school entry and beyond?***
- 2. Which children have access to high quality early care and education programs?***
- 3. Is the quality of programs improving over time?***
- 4. What are the characteristics of effective programs?***
- 5. How prepared is the workforce to provide effective education and care for all children?***
- 6. What policies and investments lead to a skilled and stable early childhood workforce?***
